

PURCHASING OF EMERGENCY GOODS

DIRECT CONTRACTING EVALUATION REPORT

1. Back ground

The 2013 Pakistan earthquake was a magnitude Mw 7.7 earthquake with an epicenter 66 kilometres (41 mi) north-northeast of Awaran in Balochistan. The United States Geological Survey reported that the earthquake took place on 24 September 2013 at 4:29 PM at 27.000°N, 65.514°E. The depth of the earthquake was reported to be 20 kilometres (12 mi). Pakistan's National Seismic Monitoring Centre reported the Mw 7.7 quake occurred at 04:29:49 PKT at 27.09°N, 65.61°E at a depth of 10 km. The earthquake reportedly lasted about a minute, causing panic in cities of southern Pakistan such as Karachi & Hyderabad.

2. Method of Procurement, Direct Contracting criteria.

In order to respond urgently and support relief and rehabilitation efforts some goods are required to be procured following Direct Contracting as per paragraph 3.7 (e) which can be resorted to "in response to natural disasters and emergency situations declared by the Borrower and recognized by the Bank;"

3. Specifications

The following specification summarizing the emergency and priority basis requirements.

Tents size 16 x 18' feet water proof.

4. Market Survey and Contact numbers of the last time provided suppliers.

After detailed analysis and the report of the District Administration, PDMA Balochistan Purchase committee visited and contacted the people, shop keepers and General order suppliers to get the available stock details with specification and financial analysis. The Committee found following observations and analysis.

Due to security concerns none of the shop keepers stock the emergency use products

After visiting the Market, it was determined that there are only few shop keepers who have minimum stock of tents.

Many shop keepers having the quality and quantity of stock, which can be supplied in the affected area.

4.1 Analysis: QUERIES

1. None of the suppliers have the required quantity with required specification.
2. It may also be mentioned that the difference in unit rate of items though not very high but not matching with others.
3. After information gathering it has been determined that, M/S Salam Traders, Shop No. 27, Ground Floor, swiss plaza near zehri Masjid, M.A Jinnah Road, Quetta Cantt,

possess the required supplies with acceptable quality and quantity however rates are comparably high.

4. Previously awarded contract rate was Rs. 8,500/- each tent including taxes (GST exempted). The rate has been increased due to impose of GST on purchase of tent. The tax has been raise from 5% to 17% tax.
5. After increase of market prices, it is impossible to curtail on previous rate. The negotiated rate is agreed mutually.

5. Recommendations

1. The supplier can supply the required goods in one day.
2. The committee also analysis other shop keepers, general orders suppliers and quality of the available stocks.

Based on above it is recommended that Bank may accord its NOL for Direct Contracting on following packages through following suppliers at the stated rates. Draft Purchase Orders attached:
